

Feedback from Lebanese Safari – Saturday 7 March 2015

Hi Suzy,

I thoroughly enjoyed yesterday's safari. Nancy was wonderful! She has a generosity of spirit and approachability that are hard to match, aside from her vast knowledge of Lebanese culture and food. The shopkeepers in Punchbowl shared her enthusiasm and generosity, and what a treat to have her guidance through the richness of Punchbowl. But the lunch was a standout. I enjoyed every dish I was served! The baba gannouj was ethereal. Nancy even gave me the courage to try making my own yogurt again.

A real treat! Thank you!

Cathy

Hi Suzy,

Just wanted to say how much we enjoyed our tour of Punchbowl on Saturday. Nancy was fantastic, full of interesting information, very friendly and approachable. We learnt so much!

The food was brilliant.

Each stop on the tour had plenty to offer. We will definitely go back to all of those places again soon.

The way the information was given prior to the tour and during the tour was great. We appreciated the handy tips on where to go and what to bring, recipes we can try, names of the key ingredients and dishes, and the list of places we went to with the map so we can visit them all again.

It was such a fun day and a valuable experience.

We're very excited to try some new recipes.

Thank you to you and Nancy for all the hard work you clearly put into these tours.

Hope to join you again soon on another one of your tours!

Cheers,

Claire
